

2023 NYS Invasive Species Expo

Monday Agenda (September 25)

Color Key:		Presentation Session	Indoor Workshop	Outdoor Workshop	Hybrid Workshop	Field Trip	Field Day & Demos	Networking	Other	Field Trip: Leave from Spa Little Theater Loop	Victoria Pool Lawn	Reflection Pool Lawn & Surrounding Areas	Planting Fields	
Location	Spa Little Theater	Gideon Putnam (100)	Victoria Pool (60)	Coesa 1 (90)	Coesa 2 (60)	Main Arcade (200)	Coesa Arcade	Outdoor Workshop: Coesa Lawn Meeting Tent	Outdoor Workshop: Coesa Lawn Meeting Tent	Outdoor Workshops: Coesa Lawn Meeting Tent	Field Trip: Leave from Spa Little Theater Loop	Victoria Pool Lawn	Reflection Pool Lawn & Surrounding Areas	Planting Fields
7:30 AM						7:30 AM Registration								
9:00 AM	Welcome													
9:15 AM	Logistics													
9:30 AM	Keynote: Avoiding the Invasive Species Doom Loop - Julie Lockwood													
9:45 AM														
10:00 AM	Recognition													
10:15 AM	Break					Break								
10:30 AM	Presentation Session #1: Past, Present, Future	Presentation Session #2: Pest Pandemonium: Forest Health Topics	Workshop #1: Demystifying eDNA	Presentation Session #3: Biocontrols Fighting Back	Workshop #2: Creating Guidelines for Climate Smart Invasive Species Management		Open Networking & Gathering Space	Workshop #3: AVID Workshop	Workshop #4: Invasive Insect Identification and Trapping		Field Trip #1: Geyser Creek Restoration	Field Trip #2: Saratoga Tree Nursery Tour		
10:45 AM														
11:00 AM														
11:15 AM														
11:30 AM														
11:45 AM														
12:00 PM		Networking Conversations		Lunch & Learn: Biodiversity and Diversity	Lunch & Learn: Kickstarting a Volunteer Program	Agency & Partner Tabling	Open Networking & Gathering Space	Botany Walk	Woods Walk	Invasive ID Walk				
12:15 PM														
12:30 PM														
12:45 PM														
1:00 PM				Lunch & Learn: Hemlock Management 2.0	Lunch & Learn: A small holders perspective								Lunch	
1:15 PM														
1:30 PM				Lunch & Learn: An Accurate Diagnosis is in Your Hands	Lunch & Learn: The Invasive Species Habitat Tool (INHABIT)									
1:45 PM														
2:00 PM														
2:15 PM	Presentation Session #5: Aquatics - Special Topics	Presentation Session #6: Pollinator Habitat Restoration	Workshop #5: Recording Invasive Species Data in the Field with iMapInvasives Mobile Tools	Workshop #6: Using Native Plants as Indicators to Understand Impacts of Invasive Species	Workshop #7: Storytelling and the Language of Invasive Species Outreach			Botany Walk	Woods Walk	Invasive ID Walk	Field Trip #3: Karner Blue Restoration Site Visit	Field Trip #4: Saratoga Tree Nursery Tour	Workshop #8: Risk Tree Analysis	
2:30 PM														
2:45 PM														
3:00 PM														
3:15 PM														
3:30 PM														
3:45 PM														
4:00 PM				Networking Conversations	Networking Conversations	Agency & Partner Tabling								
4:15 PM														
4:30 PM														
4:45 PM														
5:00 PM							Poster Session & Happy Hour 5-7PM							Field Day Interactive Tables and Demonstrations

Tuesday Agenda (September 26)

8:00 AM						Registration															
9:00 AM							Coffee & Networking														
9:15 AM																					
9:30 AM	Presentation Session #7: Greening the Future with Reforestation	Presentation Session #8: Regulation Plants & Agricultural Pests	Presentation Session #9: Taming the Knotweed Invaders	Workshop #9: Climate Smart Native Plants for Restoration	Workshop #10: Keeping Forests Healthy				Workshop #11: Thinning to Increase Tree Health and Resiliency to Forest Pests	Workshop #12: Hemlock Woolly Adelgid IPM											
9:45 AM																					
10:00 AM							Unpersoned Agency & Partner Tabling														
10:15 AM																					
10:30 AM	Break								Break												
10:45 AM																					
11:00 AM	Presentation Session #10: Data & Risk Analysis	Presentation Session #11: Invasion of the Round Goby	Workshop #13: Photographing Invasive Species	Presentation Session #12: Restoration Seed and Plant Material Supply Chains	Workshop #14: Leveraging IMap Invasives to Enhance Invasive Species Community Science			Workshop #15: EAB Biocontrol Release Site													
11:15 AM																					
11:30 AM																					
11:45 AM	Break																				
12:00 PM	Wrap-up & Adjourn 12-12:45PM																				

Birds: Harbingers of Ecosystem Health (note: program starts at sunrise)
